Jake! Jake!
I can't...
believe my eyes!!

An enormous amount of supplies just arrived. There's a lot of... medical equipment, food and more!
.....
Please sign here...
Yes.

And someone named Miss Jeong called and said they set up a personal funding account... the amount of funding is...!?!
Ah... I just heard a few moments ago too.
That red haired man... What does he do?!
I told you, he's the one who bought a hill for his tiger...
!
.....

What?! You weren't kidding? A psycho like that really exists...

BOOM BOOM

Why didn't you tell me earlier!!!

NM

Haha... anyway, things turned out well, right?

Thanks to him, we'll be able to save a lot more lives.

Yes...Yes... his house?

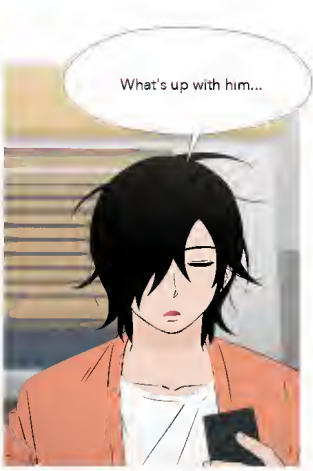
I'm not sure...

I've been there but I don't know where... I was taken by force...

Mhmm... yeah,
I don't think you need to.
He said he'll visit the shelter soon.

Yes. Mhmm... I'll visit too.
See you then.

Beep



What's up with him...

...What's his deal?
Wasn't it obvious from the start?
It was all for Simba.
I heard from Mr. Baek.
That you were planning to sell the clinic to save the shelter?
We can't have that happen.
I went through all that effort for you to treat my Simba...

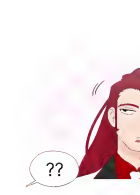
In the end, if the shelter is fine, there's no reason for you to sell the clinic
And that would mean you can continue to check up on Simba every week.. right?

And the clinic has to stay open so Miss Madelyn can visit... and I can see her...
?
Hehe~

I never thought I'd say this to you, but...

Thanks for your help.
I owe you big time.

Ha...!
A true gentleman knows how to help those in need.



But... about today...
Um... why...
??

When... is
Miss Madelyn coming?
Madelyn?

Madelyn probably won't be coming.

She has her written test today.

...What?

Why? Do you have something to tell her?

What is it? Should I tell her for you?

No... it's nothing...

...I'll be leaving. See you next week.

?

What is it?

Well...

HOORAY!

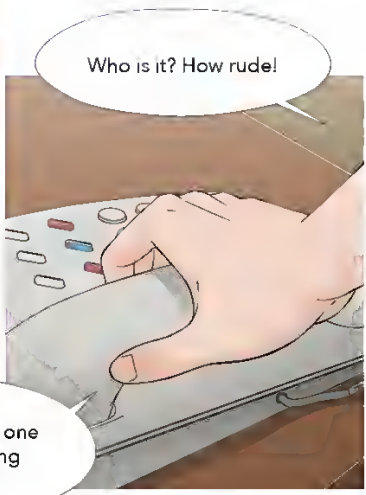
Hey~ You moron!!
You just couldn't wait
to buy yourself another
stupid toy?!

It's... it's the first one
I've bought in an
entire month...
No one can bother
me today!

RINGRING~!



Who is it? How rude!
Well, I'll pick up this one and then I'm pulling the plug.

Yes~
Heart of A Companion here.

...It's me.

.....
What is it?
Why call the clinic...

...because you probably wouldn't pick up if I called your cell.

Assistant Director
Heather Baek
What is it? If you don't have anything left to say, I'm going to hang...

Let's meet.

At around six, I'll be waiting at the cafe near your clinic.
...I can't today. I have plans.

...Five minutes will be enough.

...I'll be waiting.

Hey. Why are you suddenly acting weird?

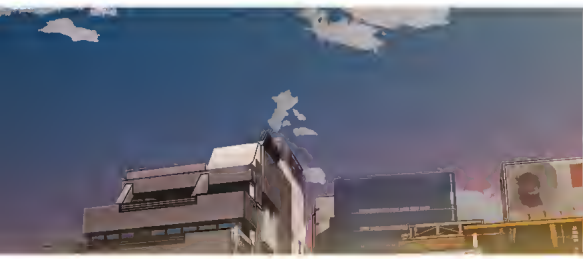
There's no reason for me to see you so...

.....

Ha! How funny~!

Am I just supposed to follow whatever you tell me to do?

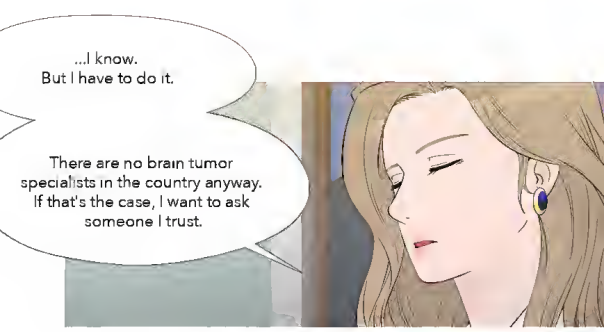
Ah...man...



What. This was why you called me out to see you?

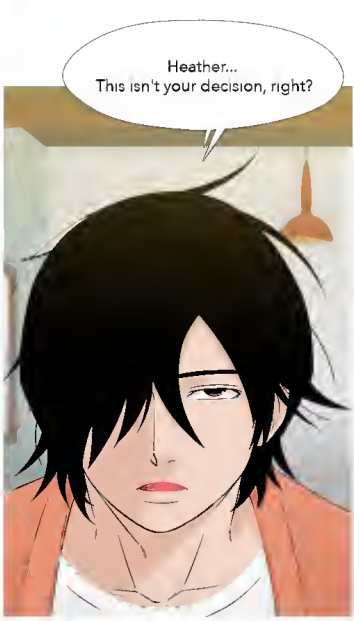
A brain tumor...
It is serious...

Yeah. It's serious.
Even for a large dog, a 3cm tumor is...
...something this big, surgery might be pointless.

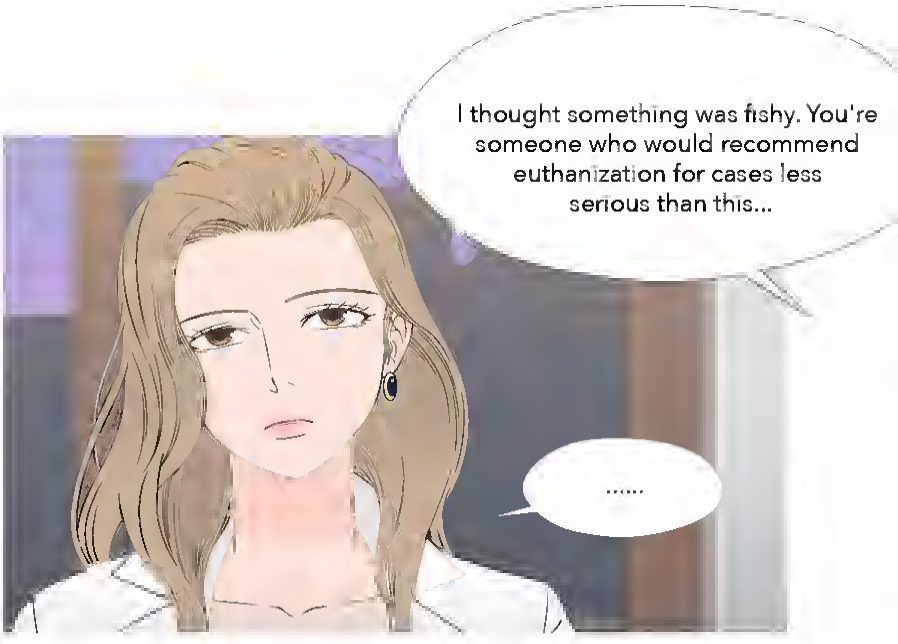


...I know.
But I have to do it.
There are no brain tumor specialists in the country anyway. If that's the case, I want to ask someone I trust.

.....

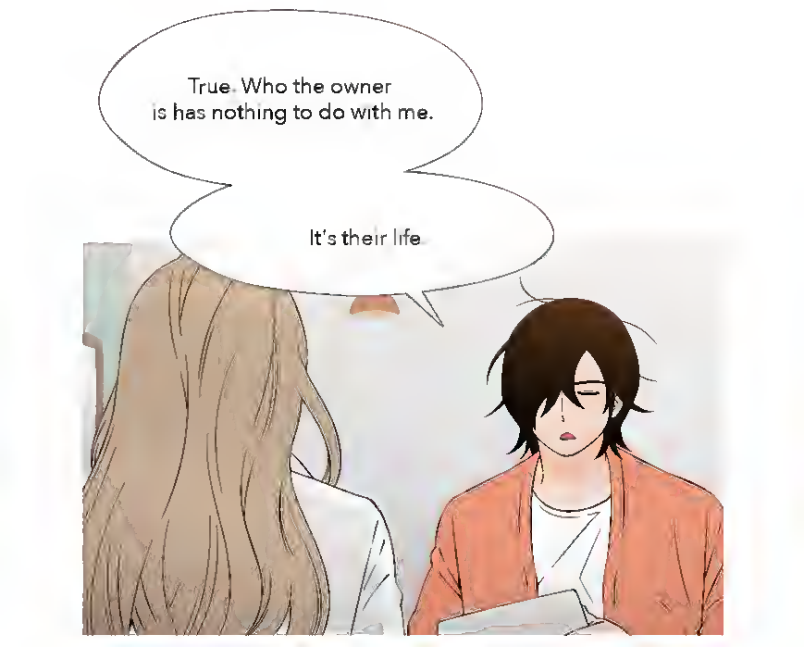


Heather...
This isn't your decision, right?

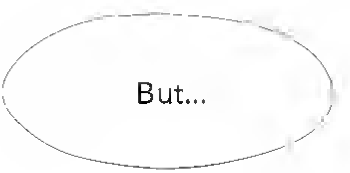


I thought something was fishy. You're someone who would recommend euthanization for cases less serious than this...
.....

Judging from the fact that you want me to perform a surgery with extremely low success rates...
...Must be someone high up's dog, right?
.....
That's not important, is it?



True. Who the owner is has nothing to do with me.
It's their life.



But...
